REQUEST FOR COUNCIL ACTION

CITY COUNCIL MEETING DATE: JULY 2, 2019
TITLE:

ADOPT A RESOLUTION AND APPROVE AGREEMENT ACCEPTING FY18 HOMELAND SECURITY GRANT PROGRAM FUNDS IN THE AMOUNT OF $1,819,025 {STRATEGIC PLAN NO.1,2&6}

CITY MANAGER

RECOMMENDED ACTION

1. Adopt a resolution authorizing the City Manager and the Chief of Police, or their designee(s), to enter into an agreement with the City of Anaheim for the FY2018 Urban Areas Security Initiative (UASI) Funding Program.

Authorize the City Manager and the Chief of Police to enter into the attached Sub-Recipient agreement with the City of Anaheim for reimbursement of funds expended for the purchase of equipment, services, personnel, training and exercises authorized under the FY 2018 Urban Areas Security Initiative in an amount not to exceed $1,819,025.

DISCUSSION

The United States Department of Homeland Security developed the Urban Areas Security Initiative (UASI) funding program to address the unique planning, equipment, training, and exercise needs of high-threat, high-density Urban Areas and provides funds to local emergency first responders that assist in building an enhanced and sustainable capacity to prevent, protect, respond to, mitigate and recover from acts of terrorism. The grant specifically provides funding for anti-terrorism equipment, planning, training, exercises and technical assistance.

In Fiscal Year (FY) 2006 the United States Department of Homeland Security combined the Anaheim UASI and the Santa Ana UASI into a single Urban Area. The City of Santa Ana now shares grant administrative responsibilities with the City of Anaheim, annually alternating the function of lead administrative agency. The City of Anaheim is the lead agency for FY 2018 funding and is therefore the UASI Sub-Grantee, with the City of Santa Ana designated as a sub-recipient through Anaheim. The City of Santa Ana Police Department has worked with the City of Anaheim, the County of Orange, and cities within the Anaheim/Santa Ana Urban Area to determine current capabilities and needs and have established goals and objectives for the Anaheim/Santa Ana Urban Area. The City of Santa Ana will continue to work in collaboration with the City of Anaheim to implement complimentary strategies for responding to acts of terrorism through the term of the agreement.
Funds will be used in support of the Homeland Security Training & Exercise Program to enhance regional training and exercise capabilities across multiple disciplines and jurisdictions in areas such as active shooter, mass gathering and civil disturbances, emergency management, and advanced life-saving techniques. The funding will also be used to sustain and maintain the ReadyOC Emergency Preparedness Campaign, the "If You See Something, Say Something" Public Awareness Campaign, and the Orange County Civic Center Video Surveillance System.

**STRATEGIC PLAN ALIGNMENT**

Approval of this item allows the City to meet Goal #1 Community Safety, Objective #2 and #6; (Broaden communications, information sharing and community awareness of public safety activities, and Enhance public safety integration, communications, and community outreach.)

**FISCAL IMPACT**

Funds for this program are included in the FY 2019-20 proposed budget in the FY2018 UASI Grant expenditure accounts (nos. 12514491-various) for the following fiscal years:

Dear Lieutenant LaRochelle:

The California Governor’s Office of Emergency Services (Cal OES) approved your FY 2018 HSGP award in the amount of $4,135,000. Once your completed application is received and approved, you may request reimbursement of eligible Grant Subaward expenditures using the Cal OES Financial Management Forms Workbook available at https://www.caioes.ca.gov/.

During the review process, a Cal OES Program Representative will examine and evaluate your FY 2018 HSGP Grant Subaward application. Throughout the Grant Subaward cycle, Cal OES will use performance milestones set in the Department of Homeland Security/Federal Emergency Management Agency Grants Reporting Tool (GRT) as indicators of performance and grant management capacity and this information may be used in assessing future competitive Grant Subaward applications. All activities funded with this Grant Subaward must be completed within the Subrecipient performance period.

You are required to comply with all applicable federal, state, and local Environmental Planning and Historic Preservation (EHP) requirements. Additionally, Aviation/Watercraft requests, Establish/Enhance Emergency Operations Center projects, projects requiring EHP review, and noncompetitive procurement requests require additional approvals from Cal OES. Subrecipients must obtain written approval for these activities prior to incurring any costs, in order to be reimbursed for any related costs under this Grant Subaward. Subrecipients are also required to obtain a performance bond prior to the purchase of any equipment item over $250,000, including any aviation
or watercraft financed with homeland security dollars. Performance bonds must be submitted to your Program Representative no later than the time of reimbursement.

Following acceptance of this Grant Subaward, you must enter your Grant Subaward information into the GRT for the Biannual Strategy Implementation Report (BSIR) period. The GRT can be accessed online at https://www.reporting.odp.dhs.gov/. Your agency must prepare and submit the BSIR to Cal OES via the GRT semi-annually for the duration of the Grant Subaward performance period or until you complete all activities and the Grant Subaward is formally closed. Failure to submit required reports could result in Grant Subaward reduction, suspension, or termination.

This Grant Subaward is subject to all provisions of 2 CFR Part 200, Subpart F – Audit Requirements. Any funds received in excess of current needs, approved amounts, or those found owed as a result of a final review or audit, must be refunded to the State within 30 days upon receipt of an invoice from Cal OES.

Your dated signature is required on this letter. New FY 2018 HSGP requirements include Urban Area Working Group (UAWG) concurrence regarding how the Grant Subaward is allocated. Your signature verifies that your UAWG has reached consensus regarding this award allocation. Please sign and return the original to your Cal OES Program Representative within 20 days of receipt and keep a copy for your files. For further assistance, please feel free to contact your Cal OES Program Representative.

Dear Ms. Ridge:

This letter serves to inform you that the City of Santa Ana has been approved for grant funding under the FY2018 Urban Areas Security Initiative (UASI) Grant Program in the amount of $1,819,025. Once your completed eligibility packet, including signed UASI Transfer Agreement, is received and an executed copy of the agreement is on file, reimbursement may be requested for eligible expenditures using the appropriate Anaheim/Santa Ana UASI (ASAUA) forms.
As part of the Homeland Security Grant Program (HSGP) Investment Justification and Grant Application process, project applications submitted by the City of Santa Ana were reviewed and evaluated based on federal program priorities, regional benefit, and degree of applicability to the overarching Anaheim/Santa Ana Urban Area goals and objectives. Throughout the grant cycle, the ASAUA Grant Office will use projected milestones and performance measures to assess project status and overall grant compliance. All activities funded with this award must be completed within the Sub-Recipient performance period.

It is critical that all City of Santa Ana employees that are involved in the FY18 UASI Grant Program become familiar with the Transfer Agreement between the City of Anaheim and the City of Santa Ana regarding the FY18 UASI Grant Program as well as the FY18 Homeland Security Grant Notice of Funding Opportunity, the FY18 Homeland Security Grant Program California Supplemental Guidance, and the FY18 Anaheim/Santa Ana UASI (ASAUA) Sub-Recipient Grant Guide. It imperative that the Anaheim UASI Office is contacted before any projects are procured to ensure that Environmental Historic Preservations (EHP), Aviation/Watercraft, and Establish/Enhance Emergency Operations Center requirements have been met, as well as financial regulations pertaining to sole source. We will seek any applicable requests and approvals on your behalf to the California Governor's Office of Emergency Services (CalOES). Sub-Recipients are also required to obtain a performance bond prior to the purchase of any equipment item over $250,000. Performance bonds must be forwarded to the ASAUA Grant Office for submission to CalOES no later than time of reimbursement.

Reimbursement for overtime and backfill for training is no longer being offered by the ASAUA due to an overall reduced award received in recent years. However, the grant will continue to provide reimbursement for personnel who assist with the instruction and delivery of the approved UASI courses. The funding allocation below is being provided as an estimated value of training instructor participation based on the number of first responders in your agency that have been approved to teach. It is being provided for your City's respective internal budgetary needs only and does not reflect a direct allocation as in the past. Additional funds may be awarded at a later time depending on your agency's participation and available dollars.

**Regional Training Program – Instructor Participation**

Police Department: $96,500

As outlined in the FY18 ASAUA Sub-Recipient Grant Guidance, progress reports are to be submitted to the UASI Grant Office on a quarterly basis. The Quarterly Project Status Report will allow the grant office to work closely with your City and its designated UASI representatives, ensuring your project is completely successful. Sub-Recipients are encouraged to seek reimbursement through the grant cycle, as funds are expended. Final Training Reimbursement Requests are due no later than **December 31, 2020**. Final reimbursement requests for all other approved project costs are due no later than **March 31, 2021**.
This grant is subject to all provisions of 2 CFR Part 200 Subpart F – Audit Requirements. Sub-recipients are required to submit copies of completed Single Audit Reports to the ASAUA Grant Office, along with any Corrective Action Plans as a result of HSGP findings.

A dated signature from you, or your authorized designee, is required below. Please sign and return the original to the ASAUA Grant Office and retain a copy for your files. If you have any questions regarding this letter, please feel free to contact UASI Grant Coordinator Kerrstyn Vega at (714) 765-3632 or kvega@anaheim.net.
